### A. INITIAL CONTRACT PERIOD

The initial contract period will be for the balance of Fiscal Year 2018, ending June 30, 2018, and the entirety of Fiscal Year 2019, July 1, 2018 through June 30, 2019.

The contract award date is projected to be in January 2018.

The contract price for Fiscal Year 2018 shall be the initial Quotation, as provide in Section IV.B, pro-rated to the number of calendar days from the actual contract award date to June 30, 2018.

The extension shall be at a monthly rate calculated as one-twelfth (1/12<sup>th</sup>) of the initial Quotation with an automatic increase equal to the average percentage variant for the previous twelve (12) months in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the San Diego area, not to exceed 5%, granted on the first anniversary of the contract.

**H. SUBCONTRACTOR’S STANDARDS QUESTIONNAIRE**

**CONTRACTOR STANDARDS**

***Questionnaire***

On May 24, 2005, the Council of the City of San Diego adopted Ordinance No. O-19383. The intent of the Contractor Standards clause of San Diego Municipal Code §22.3224 is to ensure the City of San Diego and city-wide maintenance assessment districts conduct business with firms that have the necessary quality, fitness and capacity to perform the work set forth in the contract.

To assist ELJ in making this determination, each bidder/proposer must complete and submit the attached questionnaire with the bid/proposal. If a non-competitive process is used to procure the contract, the proposed contractor must submit this completed questionnaire prior to execution of the contract. Submitted questionnaires are public records and information contained within will be available for public review for at least ten (10) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

All questionnaire responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, respondents must use the *Questionnaire Attachment “A”* and sign each page. The signatory of this questionnaire guarantees the truth and accuracy of all responses and statements. Failure to submit this completed questionnaire may make the bid/proposal non-responsive and disqualified from the bidding process. If a change occurs which would modify any response, Contractor must provide ELJ an updated response within thirty (30) calendar days.
